

the WEDDING SALONS
at WYNN LAS VEGAS™

Your wedding
is an event of
a lifetime.

At the Wedding Salons at Wynn Las Vegas, we have created settings that are elegant, distinct, and calming. With ceremonies that include the most essential elements, add your own special touches to customize and create the wedding of your dreams.

Enchanted Luxury

Elegant and romantic. Unique and personal. The Wedding Salons at Wynn Las Vegas are designed to provide the perfect backdrop for your dream ceremony. Finished with all the right touches—such as soft and complementary tones, luxe textures and upholstery, and beautiful lighting—each Salon also features a private foyer where guests gather before the ceremony and a private dressing room for last-minute preparations.

The Lilac Salon

Our most intimate setting, the Lilac Salon, accommodates 60 guests comfortably and is ideal for smaller ceremonies.

The Lavender Salon

Larger than the Lilac Salon but designed to preserve the intimacy of the moment, The Lavender Salon seats 120 guests.

Primrose Courtyard

A private courtyard that seats up to 100 guests outdoors under a canopy of trees and surrounded by flowers and two whispering fountains. The Primrose Courtyard is available for pre-event cocktails, day or evening weddings, cake and Champagne following the ceremony, or for an intimate after-event cocktail party.
