ARTISTRY & HERITAGE

FORTALEZA

Established in 2005, still following the way tequila was made 150 years ago, only made from top quality agave, and following seven meticulous processing steps results in one of the highest quality agave spirits there is with extremely low quantity each year.

DON FULANO

A unique way of maturation: Don Fulano is aged exclusively in ex-wine European dark oaks, primarily French Limousin and Nevers, which previously held wines from Burgundy, Bordeaux, and the Loire Valley, as well as other European oaks from Spain and Eastern Europe. Additionally, multiple maturation locations with different altitudes and climates result in deeper complexities in the final blends.
