1. The Wynn Nightlife *Hold 'Em for a Cause* Charity Poker Tournament (the "Tournament") benefiting The Wynn Resorts Foundation, a 501(c)(3) charitable organization, is open to anyone who: (a) is at least 21 years of age, (b) registers for the Tournament; and (c) pays the \$200 USD entry fee.
2. The entry fee must be paid in full to The Wynn Resorts Foundation prior to the start of the Tournament in the form of cash or credit card.
3. Wynn Las Vegas reserves the right to invite up to ten (10) players to participate in the Tournament without paying the entry fee in its sole discretion. However, all invited players are responsible for purchasing any applicable rebuys or add-ons.
4. Players must register for the Tournament and pick up their Table Assignment Card on Wednesday, August 20, 2025, from 5:30 p.m. until the start of Level 7 (approximately 8:45 p.m.) (the "Registration Period"). Players must present their Table Assignment Card to Tournament Staff at his/her assigned table prior to the commencement of play.
5. Each player will begin the Tournament with 20,000 in no cash value tournament chips. Tournament chips may not be used for any other purpose and must be returned to Wynn Las Vegas at the end of the Tournament.
6. Players can rebuy anytime they are at or below 20,000 in tournament chips for \$100 using cash or credit card. The rebuy gives the player an additional 20,000 tournament chips. Players can purchase unlimited rebuys until the end of the Registration Period.
7. At the end of the Registration Period, a one-time "add-on" will be available to all players for \$100 USD, regardless of tournament chip count. A player purchasing the add-on will receive an additional 40,000 tournament chips.
8. All rebuy and add-on proceeds will be paid directly to The Wynn Resorts Foundation.
9. Entry fee, rebuy and add-on proceeds are donations. The value of services received are not tax deductible. Optional tax-deductible charity donations in excess of required entry fee may be accepted.
10. Anyone may purchase the entry fee, rebuys and the add-on for other participants.
11. Winners are required to provide appropriate tax identification information and if applicable, Wynn Resorts Foundation will collect appropriate income taxes prior to prize distribution.
12. Tournament play will take place at the Encore Player's Lounge located at Encore on Wednesday, August 20, 2025, beginning at 7:00 p.m. Play will continue until a winner is declared. When nine (9) players remain (at approximately 11:00 p.m.), the Tournament will be paused for a tournament chip count and for the players and their tournament chips to be moved to the final table.
13. The Tournament will use a standard No-Limit Texas Hold'em format.
14. A bonus prize will be awarded to the player with the highest tournament chip count at the conclusion of the Registration Period. Should two (2) or more players have the same highest tournament chip count, the prize will be awarded through a random card draw.

15. A bonus prize will also be awarded to the player who purchased the most individual rebuys at the conclusion of the Registration Period. Should two (2) or more players have the same highest number of rebuys purchased, the prize will be awarded through a random card draw.
16. The random card draw will consist of each applicable player receiving one (1) card as one (1) hand. The player with the highest value card will receive the applicable bonus prize. For purposes of the random card draw, aces will have the highest value. Cards that share the same value will be ranked by suit in the following order, from highest to lowest: Spades, Hearts, Diamonds, Clubs.
17. In the event that the maximum seating capacity is reached, additional players will be registered and placed on standby (the "Alternates") and assigned seats as they become available.
18. All players will receive initial seating cards at the start of the Tournament. A player's tournament chips will be placed into play from the start of the Tournament.
19. At the conclusion of the Registration Period, any Alternate who has not checked in will be assigned a seat and their tournament chips will be put into play and will continue to be dealt in until his/her stack is eliminated.
20. The final table will have nine (9) players. The top ten (10) finishers in the Tournament will win the Tournament prizes.
21. There will be a redraw for seating and for the button placement, once the final table has been reached. Tournament play will use a dead button.
22. Standard Poker Tournament Directors Association and Wynn Las Vegas poker rules apply unless in conflict with the Tournament Rules, in which case the Tournament Rules shall prevail.
23. The Floor Person or Tournament Director will consider the best interests of the game and fairness as the top priority in the decision-making process. Unusual circumstances can, on occasion, dictate that the technical interpretation of the rules be ignored in the interest of fairness.
24. Levels may be adjusted to accommodate the Tournament time limit.
25. When raising, the player must either put the amount of the raise out in one motion or state his/her raise amount. If the player states the amount, the player may make more than one motion.
26. All cards will be turned face up once a player is all-in and all action is complete.
27. A player who exposes his/her cards during the play MAY incur a penalty but will not have his/her hand killed.
28. Anytime when facing a bet or a blind, placing a single oversized tournament chip in the pot is a call if a raise isn't first verbally declared. To raise with an oversized tournament chip, raise must be declared before the tournament chip hits the table surface. If raise is declared (but no amount), the raise is the maximum allowable for that tournament chip. When not facing a bet or a blind, placing an oversized tournament chip in the pot without declaration is a bet of the maximum for that tournament chip.
29. Verbal declarations as to the content of a player's hand are not binding; however, at the Tournament Director's discretion, any player deliberately miscalling his/her hand may be penalized.
30. Verbal declarations in turn are binding. Action out of turn may be binding.
31. Dealers cannot kill a winning hand that was turned face up and was the winning hand.
32. If a dealer kills an unprotected hand, the player will have no redress and will not be entitled to his/her money back.
33. All tournament chips must be visibly displayed at all times. Players shall not have tournament chips out of sight at any time. A player who has chips in his/her pocket will forfeit those tournament chips.
34. Players going from a broken table to fill in seats assume the rights and responsibilities of the seat.
35. Tables will be consolidated.

36. During table coordinating, when moving players, players will be moved from the big blind into the worst position.
37. A player who wants to talk on a cellular phone must step away from the table and is allowed to do so only when a hand is not in play. Talking on a cellular phone is not permitted while the player has a hand in play.
38. Friendly conversation is permitted during Tournament play, but coaching is NOT allowed.
39. Communication, either verbal or visual (e.g. signaling), will not be permitted between players and spectators. Failure to comply may result in penalties up to and including disqualification and forfeiture of any prize.
40. English is the official Tournament language. Conversations between players in any other language will not be permitted while a hand is in play. Failure to comply may result in penalties up to disqualification and forfeiture of any prize money.
41. Smoking is NOT permitted at the Tournament tables.
42. A penalty MAY be invoked if a player exposes any card with action pending, throws a card off the table, violates the one-player-to-a-hand rule, or similar incidents take place. Penalties WILL be invoked in cases of soft play, abuse, or disruptive behavior. Penalties may include verbal warnings and "missed hand" penalties. Except for a one-hand penalty, missed hand penalties will be assessed as follows: The offender will miss one hand for every player, including the offender, who is at the table when the penalty is given multiplied by the number of rounds specified in the penalty. For the period of the penalty, the offender shall remain away from the table but will continue to be dealt in. Tournament Director or Floor Person can assess a one-hand penalty, one-, two-, three-, or four-round penalties or disqualification. A player who is disqualified shall have his/her tournament chips removed from play. Repeat infractions are subject to escalating penalties
43. No substitute players will be allowed.
44. In case of a dispute, it is the player's responsibility to bring it to the attention of the Tournament Director or Floor Person prior to the start of the next hand.
45. Collusion between players will not be accepted by Wynn Las Vegas and will lead to disqualification.
46. A player may be eliminated from play if the player is in violation of any of the Tournament rules, or the player voluntarily withdraws.
47. Non-cash Tournament prizes will be valued at a minimum of \$200. All prizes are subject to change; however, no prize will be replaced with anything of lesser value.
48. All non-cash tournament prizes are non-transferrable, non-changeable, have no cash value unless otherwise stated in the non-cash prize terms.
49. In the event a player's entry, Rebuy or Add-On fee are paid by another person, the player is considered the winner and will be awarded the prize(s) and is responsible for any applicable taxes and all other fees.
50. Players and their guests must be at least 21 years of age.
51. Players must be present for the Tournament to be eligible to win a prize.
52. Wynn Las Vegas reserves the right to disqualify any person before, during or after the Tournament.
53. Wynn Las Vegas reserves the right to cancel or modify the Tournament or any element thereof at any time, for any reason and without prior notice or liability. In the event the Tournament is canceled in its entirety, the entry fee received will be refunded.
