

AWAKENINGSM

SEATING CHART

DIAMOND

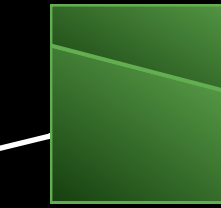

Rows A–B: The front-row experience—and row 2—in the Awakening Theater immerses you within the spectacle, seated just a few feet from each sultry dance step and every awe-inspiring visual. Diamond is for those who want to see and feel it all.

TOPAZ

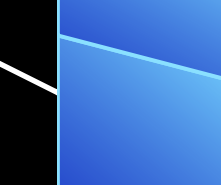

Take in spectacular panoramic views of every thrilling moment of the show Awakening Theater's most spacious lounge seating. Topaz is for those who want top-tier viewing of every breathtaking scene., ultimate comfort, and the convenience of easy-access seating.

EMERALD

Rows C–E: Revel in Awakening's most breathtaking moments from the proximity of this seating. Emerald is for those who love the excitement and the energy of being close to the stage but also what a panoramic perspective.

SAPPHIRE

Rows F–H: Mid-level seating offers the ultimate way to enjoy the ambiance of Awakening's in-the-round setting. Sapphire is for those who love high energy from all angles.

RUBY

Rows I–K: Experience the most expansive view of the action in Awakening in this upper-level seating, which offers an all-encompassing look at every dramatic move and scenic detail. Ruby is for those who love the big picture.
