# Video Services

We are proud to offer high-definition video recording with multiple camera angles. The Lavender and Lilac Salons feature three discreet, remotely operated cameras, while ceremonies in the Primrose Courtyard are captured by a two-person video team. Your video is recorded as an HD video file for downloading and sharing.

## ***Traditional Wedding Video***

Our wedding video specialists capture your day from the beginning of your ceremony until the end of the last dance. Your video will be edited in a documentary style, featuring the real scenes and sounds of the event. Also included is a two to five minute recap, set to music.

Your HD digital file comes with a customized menu, first-play teaser, and chapter menu.

\$325 for the first hour of traditional video coverage.

\$225 for additional hours of traditional video coverage.

## ***Wynn Cinematic Wedding Video***

Using the latest video technology, our cinematographers capture the highlights of your day in a cinematic style. Filming starts a few hours before your ceremony to capture the day's preparations. The highlights of your ceremony, portrait session, and reception are carefully lit and set to the songs of your choice. The final presentation is a six to ten-minute short film expressing the excitement and emotion of your wedding day. Your video is delivered as a standard DVD, HD Blu-Ray disc, and a digital file for your computer or digital media player.

\$2,650 for the first six hours (minimum) of cinema video coverage.

\$275 for additional hours of cinema video coverage.

# Video Services

## ***Wynn Cinematic Engagement Video***

Spend some time with our cinematographers at the many picture-perfect locations at Wynn and Encore, on Las Vegas Boulevard, or around Las Vegas to create a feature film-like love story—perfect for announcing your engagement. Your video is delivered as an HD digital file for downloading and sharing. (available Monday through Thursday only.)

\$2,650 for 6 hours of cinema video coverage.

\$275 for additional hours of cinema video coverage.

Pricing by the hour is based on the amount of time the videographer or cinematographer is present at your event and does not equate to the amount of footage captured in that time. Generally, we capture 20 to 45 minutes for each hour at your event.

Add one additional camera operator to any of the above upgrades to extend the area of coverage and increase the images captured.

\$275 per hour for additional camera operators.

\$375 per hour for additional camera operators for off-site videography.

## ***Live Stream***

Broadcast your ceremony online with one of our streaming options. Video can be viewed live or replayed on most computers or mobile devices. Streams can be password-protected so you can be sure only invited viewers are watching.

\$119.95 for the live broadcast with 30 days of replay.

\$129.95 for the live broadcast with 60 days of replay.

# Live Music

Enhance your ceremony with live musicians.

***Pianist***
